Case 3:22-cv-30075-KAR

Marie Adler

Here I send you the account statements of the film En Medio del Dolor (Heart of Pain) according to Adler & Associates Entertainment the money that my film has produced in several countries: \$0.29, \$0.22, \$0.05, \$0.03, \$0.12, \$0.04, \$0.14, \$0.01, \$0.02. I don't understand if according to Adler & Associates Entertainment, the movie (Heart of Pain) has made so little money because your Marie Adler has made you the owner of it. When I saw that they sent me statements for pennies, I told my daughter, my sister and two nephews to buy the movie on Amazon for \$9.99 each and see the next statement in the United States, and they sent it to me by \$20.78. Because we spent \$50.00 on the movie, and three months later you sent me a statement of \$20.78, \$29.17. of which we pay. According to the account statements, the film did not make any money and was shown in the United States and Canada for almost two years in a row, and I told Amazon to remove it, because I had not received a penny, if it was not still in the United States and Canada.

I sent the document to Marie Adler, as required by Local rule 5.2.

Thank you.

Rafael Jorge.
